

Route 40 Red

Fall, 2011

Route 40 Red Ale takes you in the right direction!

A session-able American red ale. Three variations of crystal and roasted malts lend a crisp malty shoulder, slight malt sweetness and a beautiful reddish hue. Fresh Cascade hops impart a floral nose and linger a bit for a mildly bitter finish. Food Pairings: steak, pork, comfort foods.

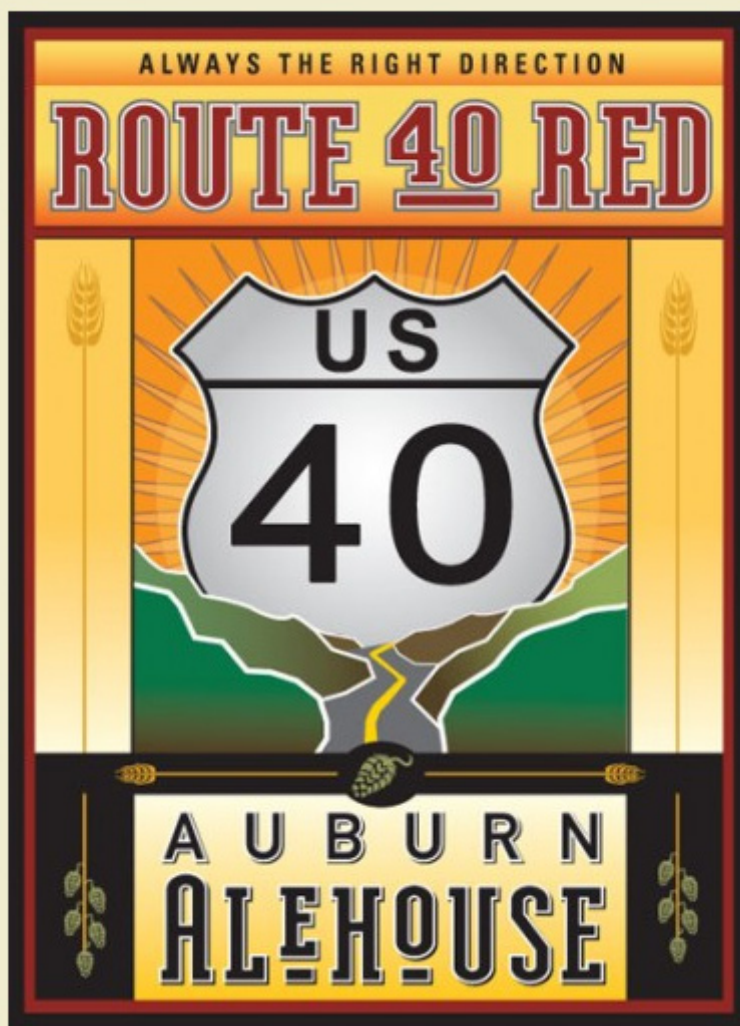

Like driving in fall with the top down!
